

NEKIA KEMP

EXECUTIVE DIRECTOR'S MESSAGE

As the Executive Director of the Police Athletic League of Buffalo, Inc., I am elated to announce the addition of many new affordable educational, athletic, and cultural programs that continue to focus on helping children and at-risk youth improve their academic skill sets, physical health, and emotional well-being.

I encourage you to visit our website at buffalopal.com for updates about PAL literacy programming, STEM, Sports Sampling, Athletic Leagues, and Field Trips. You can also register your child every fall, winter, spring, and summer by visiting buffalopal.com.

Thank you very much for your ongoing support. I look forward to welcoming new and existing PAL youth into our seasonal programs that are offered at city-wide community centers, the Buffalo Public Schools, inner city parks, and recreation facilities.
