

Executive Director's Message

The Police Athletic League of Buffalo, Inc. (PAL) is a not-for-profit organization that provides youth in the City of Buffalo with **sports, recreational, educational, cultural, and preventive program activities** in structured, supervised, and organized settings. PAL works with professional, certified recreation and sports coaches and law enforcement personnel to provide leadership, direction, and engagement that **help youth become responsible, successful adults.**

I encourage community members to learn about PAL's many seasonal programs offered after school, on weekends, and during the summer months. All programs are hosted in **a safe space with qualified adults in partnership with law enforcement.** PAL is also proud of its commitment to workforce development for City of Buffalo youth. With so many diverse opportunities to learn, grow, and be physically active, we hope to welcome even more youth into PAL programs. **For more information about The Police Athletic League of Buffalo, please visit buffalopal.com.**

Ms. Nekia Kemp, MS
